

## Hearing Assistance Available

This place is equipped with the **Sennheiser MobileConnect** assistive listening system.

1. Join the Wifi- Name: Media P/W: IBCMedia
2. Download the app- Sennheiser MobileConnect
3. Select your audio channel.

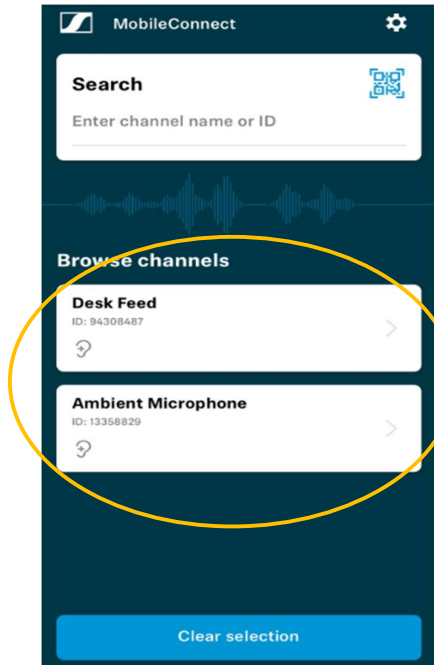

Connect to our WiFi

Name: Media

Password: IBCMedia

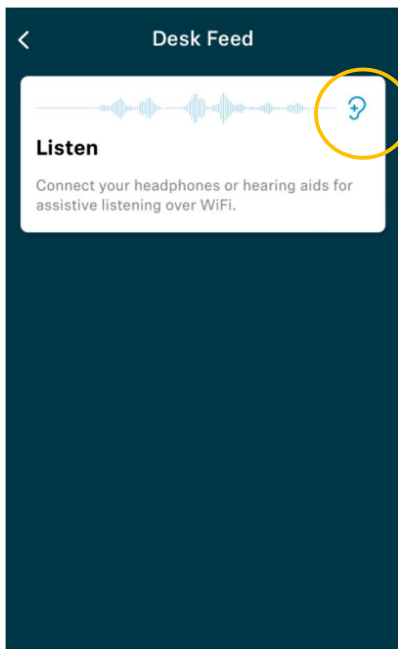

Download the App by scanning  
the QR code:

Select a channel to access the hearing loop.

- Desk Feed for when sound desk.
- Ambient when no sound desk.  
e.g. Orchestra

Press ear icon

Once in the app and the performance has started the customer has the option to change the sound levels to suit them, volume up/down and they can also balance the pitch (EQ) so if they are sensitive to high pitch they can move the cursor to suit them, same with lower pitches.
